

Transcript: DEA Take Back Day PSA featuring DEA Acting
Administrator Uttam Dhillon (April 2019)

I'm Uttam Dhillon, DEA'S Acting Administrator.

Substance abuse starts with the misuse

of prescription drugs found in

medicine cabinets in homes all across America.

You can help stop prescription drug abuse

by bringing those unwanted

prescription drugs to a DEA TakeBack location near you

on April 27th from 10 to 2.

Go to DEATakeBack.com to find a

location near you.

Together we can make our country and our

communities safer, better and healthier.
